General Information:-

Date:- 05.04.2022

Name:- Ruchir

Age:- 18 years

Gender:- Male

Course: - BA (JMC)

Family members:- Mother and 1 elder brother.

Chief Complaints:- According to him, he doesn't like Management subject. He likes practical knowledge rather than theoretical. He likes Radio and Photography subject. He was a good student. But after his grandfather's death, he has become very reserved and quite. He doesn't like to share his feelings with anyone. During the session, he was laughing when answering the questions and there was no proper eye contact. He was looking here and there during the session.
