

A Report on First Aid Session organised by Red Cross on 26/10/2023

First Aid Training programme was organised by Red Cross on 26th October, 2023 for first semester students of Dr. Chunibhai Vallabhbhai Patel College of Pharmacy and Maliba Pharmacy College.

Mr. Nilesh Vejpara was the main Resource Person during the programme. First, he explained about what is first aid and what are its aims. He instructed the students participants the various techniques that are important during search and rescue operation in the event of any disaster. He also taught the different first aid techniques that first aider should use in case of any accidents or emergencies.

He demonstrated on how to handle with victims in case of accidents or calamities. Firstly, he trained the students on how handle with a victim who can talk and explain his injury and how to give them first aid and take them to the hospital. He showed how to make human crutch like human cradle for light victim, two handed seat, three handed seat, four handed seat, and chair lift.

Secondly, he displayed various techniques to carry victims who are unconscious and how to make a stretcher with blanket or sack and two bamboo poles. The students were also shown how to perform Cardio Pulmonary Resuscitation.
