

Sneha Khambhala (2021 – 2024)

My experience at Uka Tarsadia University was wonderful. I pursued my graduation in English Literature. I never thought that College would reveal who really I am. I have learned and experienced so many new things. I have made new friends from different backgrounds. I enjoyed my every class . The faculties also focuses on students career goal with proper guidance. Apart from academics, it also offers various opportunities to enjoy our college days. I am really thankful for the amazing opportunities that Department of English has provided me.
