

Red Ribbon Club

OBJECTIVES:

- To aware and counsel the students regarding their health in terms various deceases

VARIOUS ACTIVITIES:

- We will organize Thellessamia testing program for 1st year students in the month of September end. (Discussed with Schedule In-charge)
- HIV Aids awareness and counseling will be on 1st December (World HIV AIDS DAY).
- We will organize or send the students as and when emergency will arise for blood donations. Further we will organize the blood donation camp in our campus in collaboration with nursing staff if enough number of students ready to donate blood voluntarily. Specific date will be decided as per the convenience of the students and Sardar Hospital Staff
