An expert session on ‘Career options after B.Tech.’ was conducted by SRIMCA-MBA for final year B.Tech. students as a part of career option awareness seminars, to provide them with detailed insights about various options available for civil engineers after their under-graduate programme. Options like M.Tech., Government exams, Bank exams, PSUs’ and MBA were discussed in detail. Advantages and disadvantages of the various options were highlighted. The power of cross degree with MBA along with current statistics of employment through MBA was the key highlight of the session. The session concluded with a question and answer session clarifying further doubts regarding these options and the prevailing conditions of the economy.
