Venue	C-105 (SRIMCA-MBA)
Name of Program	Faculty Enrichment Program
Participants	Faculties Members of Commerce and Management
Coordinators	Dr. Vijay Gondaliya and Dr. Krunal Patel

As a part of Faculty Enrichment Program formally known as ‘Teaching Circle’, a session on Economic Ratings and Rankings was conducted by Ms. Bhavna Patel and Dr. Swapnil Chaurasia focusing on Ease of Doing Business Index and its components. The session aimed at simplifying the concepts related to indicators incorporated to construct various indices in economic scenario.

The session began with a foreword by Dr. Vijay Gondaliya, Head of Department B. V. Patel Institute of Management followed by presentation on the topic.

The presentation on the "Economic Ratings and Rankings" commenced with explanation to basic terminologies related to economic ratings and rankings. The concept and categorization of economic indicators was discussed as an overview to better understand the concept of Ratings and Rankings with respect to 'Ease of Doing Business Index' (EoDB). The session entailed detailed discussion on the global ranking and parameters incorporated for the calculation of EoDB along with the website interaction for data collection and review.

The session ended with insightful interaction between the faculty participants and the session speakers regarding the intricacies and relevance of indices followed by a concise conclusion by Dr. Kiran Pandya, Director SRIMCA-MBA.
