**General Information:-**

**Date:-** 01.01.2022

**Name:-** Prithvi

**Age:-** 17 years

**Gender:-** Male

**Course:-** BA (JMC)

**Family members:-** Grandparents, Father and 1 younger sister.

**Chief Complaints:** - His parents were separated. When he was in class X, his mother left the house. According to him, his parents used to fight every day. His mother never called him and nor his family members. Prithvi misses his mother. He says that my mother is dead for me. He never shares his story with anybody about his mother because he thinks that everybody will tease him or make fun of him or will ask several questions. After his mother, his father and his grandparents took care of him and his younger sister. He likes to study, loves reading books. His words were clear and he spoke very politely.
