Report on Elocution Competition

As a part of Azadi ka Amrit Mahotsav celebration, Department of Physics has organized elocution competition on “**Life style for Environment**” on 27th September 2022. 14 students from Integrated M.Sc. Physics and M.Sc. Physics participated and presented their view on the given topic. Rule and regulations are briefed out by coordinator Mr. Hitesh Rajput and Mr. Vishva Jain. Miss. Siddhi Shah (Assistant Professor, B.V. Patel institute of commerce) and Dr. Abhitosh Kedia (HOD, Department of Physics, and UTU) judge the speech based on content, clarity of speech and way of presentation. They had given their valuable suggestion at the end competition. Mrs. Payal Dubey (M.Sc. 3rd Sem) and Mr. Yash Bhaiya (Int. M.Sc. 9th Sem) got first and second price respectively. The competition helps students in enhancing their confidence, ability of control over language and knowledge of their fundamental rights.
