

“આવજો”

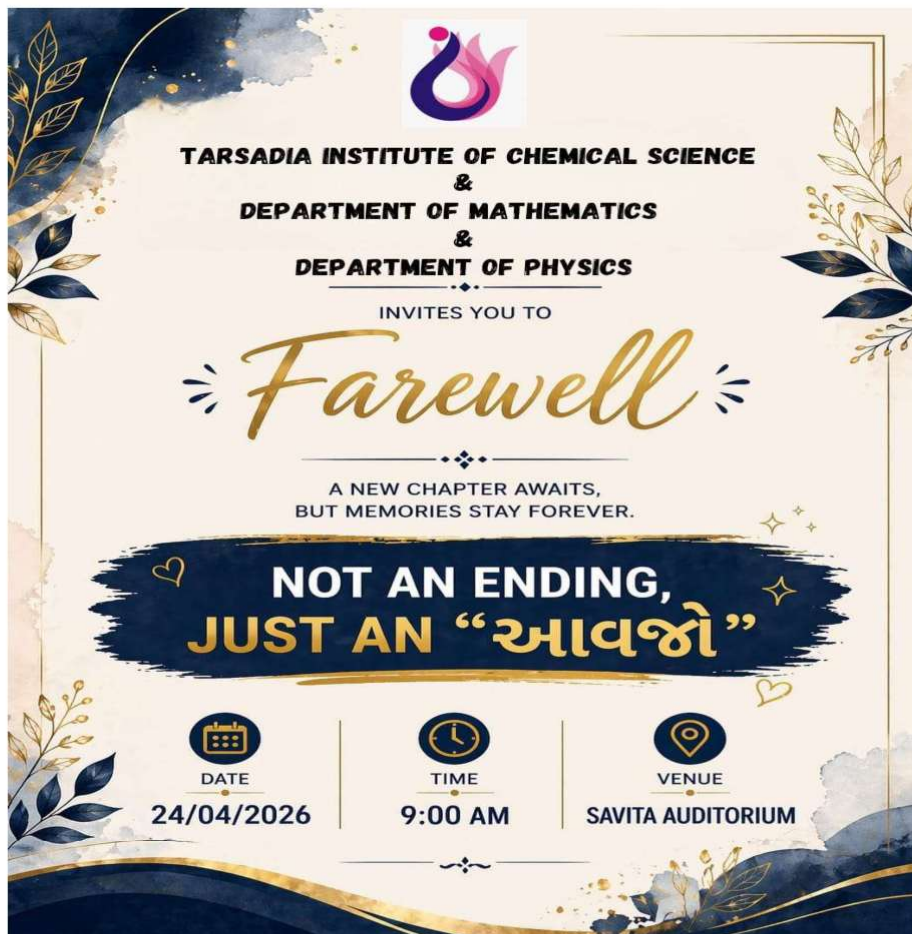

Annual Day Celebration– 2026

Date: [24/04/2026]

Time: [9:00am to 4:00pm]

Venue: Savita Baa, Auditorium, Gopal Bhavan, UTU.

Aim and Objective of event:

Annual Day celebration at the Department of Applied Sciences, UTU, is a grand one-day event organized with great zeal and enthusiasm every year. It is often the most awaited event not only for the students, but also for every member of the UTU family.

March-April is a very important period in UTU academic year, not only the period of annual exams and results but also a popular time to conduct “Annual Day Celebration” (“ આવજો ”). As the name suggests these are the grand events which the Department conducts once in a year and they bring teachers, students and UTU managements together. The event also

includes a devoted period of time for felicitating the go-getters and best performers of the institute. The awards and prizes are more like a motivating force for the students to shine.

Report Made By: Dr Jyoti Singh, Dr. Sachinkumar G. Modha, Dr. Hitesh Rajput

- **Description:** The main aim of Annual Day celebration was to bid a warm and memorable farewell to the outgoing students and to celebrate their academic journey, achievements, and contributions to the institution.
- **Prof. Kishor Desai (Research Director)** welcomed the gathering with his inspiring words.
- **Dr. Paresh N. Patel (I/C Directors)** delivered a welcome message to all the students and described the motivation behind arranging the annual day program and how student appreciation is the key towards motivating others to do better in life.

- **Dr. Meonis Pithawala (Dean Faculty of Science)** gave a comprehensive presentation outlining the institute's journey, key achievements, and ongoing progress. He highlighted the significant milestones reached, the advancements in academic and research endeavors, and the institute's vision for future growth. His presentation showcased the collective efforts of the faculty, students, and staff in fostering excellence and innovation, providing a clear and inspiring overview of the institute's remarkable progress and potential.
- Junior students organized and performed various entertainment events throughout the day. The seniors also delighted everyone with their own performances, making the day vibrant and memorable. The environment in the college was joyful and refreshing, with tasty lunch served for all students.
- Special appreciation was given to students for their academic excellence, discipline, participation in extracurricular activities, and contribution to departmental events. The program highlighted the strong bond between students and faculty and reflected the spirit of friendship, learning, and growth.

a. Participants:
