Report on **“Janmashtami Celebration 2025**

Date:

Venue: TICS Building, Ground Floor

Date: 14/8/2025

Time: 01:30 pm to 3:00 pm

Total No. of Participants:

Event Coordinator: Dr. Pramod Patil, Dr. Dipen Desai, Ms. Shivani Patel and Dr. Bhumika Sharma

Program Objective:

- To honour the festival of Janmashtami by fostering cultural awareness, spiritual well-being, and social unity among students and faculty.
- To build a vibrant community spirit within the department through traditional celebrations and collective engagement.

Program Outlines:

- Departmental hall and deity setup decoration.
- Welcoming ritual of Lord Krishna (*Just Kanha* welcome).
- Sacred *Aarti* ceremony followed by the distribution of *Prasadam*.

Program Outcomes:

- Strengthened interpersonal bonds and cultural appreciation across the student body and staff.
- Created a positive, inclusive, and joyful atmosphere that enriched the campus environment.

Details

The Department of Applied Science premises were decorated using vibrant traditional rangoli, flower garlands, and handcrafted hanging ornaments. A dedicated, decorated altar with a customized *jhula* (cradle) was arranged for Bal Gopal. The event began with the devotional welcome of Lord Krishna (*Kanha*). Students and faculty members gathered to place the deity in the cradle, symbolizing joy, innocence, and auspicious beginnings. The celebration concluded with the performance of the traditional *Aarti*. Everyone joined in chanting devotional prayers and hymns, creating an atmosphere of devotion and harmony. *Prasadam* was distributed to all participants at the end of the ceremony.

Concluding Remarks:

The Janmashtami 2025 celebration successfully fostered a spirit of devotion, unity, and cultural harmony across the Department of Applied Science. Heartfelt gratitude goes to the faculty, student volunteers, and participants whose collective enthusiasm made this traditional gathering a memorable success.
