Patriotic Song and Dance Competition

The college donned a superb patriotic look on 14th August 2012 as it organized intra-college

patriotic song and dance competition. The programme had 25 entries from all the classes.

The gala show was attended by 600 students of the Institute. Vande Matram was one constant tune which held the whole programme like a Sutradhar. All the entries

were cheered by one and all. It was heartening to note that first year students participated with great zeal and enthusiasm.

The dance programmes resembled TV reality shows as performers tried various lifts and used

a variety of props. This time a panel of students also acted as the judges. A very interesting feature of the day was special tri colour dresses worn by different classes. Every class wanted to outperform the other.
