## **Report on Two days outdoor training for "Preparing Articles from Bamboo" (1st and 2nd February 2023)**

A two days outdoor training on, “Preparing Articles from Bamboo” was organized by The Maliba Pharmacy College for student of Uka Tarsadia University on “Preparing Articles from Bamboo” with the support by AICTE spice grant.

The objective of the training was to make learn students the tribal art and culture.

The training was paid by students and was organized Near Gira Waterfall at Daang under the leadership of Dr. Hetal Patel, Faculty of Maliba Pharmacy College.

Total 5

students

participated from BVPIC. During the training students learned to make different articles such as photo frame, swing, pen stand, and many more which were prepared from bamboo material that was provided by a resource person. Other facilities provided were transportation, food and accommodation for one night.

Students also learn to use different instruments for making the articles and as a token of love and honour students gifted the articles to the department also.

On completion of the workshop all the students got the certificate.

The students who participated were highly satisfied and demanded for more such session in near future.
