Objective of Session:

- To enhance participants' critical thinking skills by providing an in-depth understanding of logical fallacies.
- To identify and avoid these common errors in reasoning, fostering clearer and more effective communication and understanding in professional and personal life.

Event Description:

- A Faculty Enrichment Programme in the form of “Study Circle” was launched by the Faculty of Commerce and Management during the month of August. The **sixth** session of the study circle was conducted by Mr. Vijay Dayama, Assistant Professor at BV Patel Institute of Commerce and Mr. Vivek Ayre, Assistant Professor at BV Patel Institute of Management on the topic of “Logical Fallacies.”
- The session commenced with enlightening words by Dr. Kiran Pandya, the Dean of the Faculty of Commerce and Management, providing the insights about the topic. Dr. Vijay Gondaliya, I/C Director of B V Patel Institute of Management introduced the session speakers.
- The presentation on "Logical Fallacies" started with a brief overview about the concept and definition of logical fallacies with their impact on reasoning.
- The pedagogy of the session was in dramatic form.
- The session on common types of logical fallacies with illustrative examples for each fallacy to enhance comprehension.
- The session featuring real-world examples of logical fallacies in media, advertisements, and

public discourse.

- At last but not the least ,the participants have the opportunity to ask questions and seek clarification on specific logical fallacies.
- The keynote take away from session was that encouragement of participants to apply critical thinking in their personal and professional lives.
- Dr.Kiran Pandya, Dean of Faculty of Commerce and Management winded up the session by adding the research fallacies which will be very useful for the academicians and research scholars.
