A Report on NSS Activity “Sustainability through Cleanliness” 6th August 2024

Clean your Department is a campaign by the college that emphasises on maintaining the cleanliness through out the department among the students. The NSS unit of BV Patel College of Commerce (Uka Tarsadia University, Maliba Campus) had organised this event among the students during the month of August.

The main objective of this event was to teach students to maintain cleanliness in their surroundings other than their home. Additionally, this event helped the students to improve the cleanliness and hygiene throughout the department including the class.

During the event, the NSS program coordinator and Second Year B.Com students worked together. The students started by cleaning their classroom and further cleaned whole department. The students were divided into groups and each group was given different activities including cleaning black boards, floors, benches, fans, and assembly hall.

Students went through the hard work of cleaning the department and were instructed to end the activity by cleaning their face and hands with water and soaps thus maintaining personal hygiene.
