

B. V. Patel Institute of Commerce, Uka Tarsadia University

Cultural Club **World AIDS Day**

Date: 04/12/18

“It is bad enough that people are dying of AIDS, but no one should die of ignorance”. AIDS awareness campaign was done at B. V. Patel Institute of Commerce on 4th December 2018, on the occasion of World AIDS Day. The program was designed to spread awareness among students of the institute. HIV is a virus that targets and alters the immune system, increasing the risk and impact of other infections and diseases.

As a part of the activity students of M.Com & IMCom were made aware about the brutal consequences of the disease. A well informative video consisting of the following areas of concern was shown to the students.

- Causes of AIDS
- How it is transmitted
- Symptoms of AIDS
- Different kinds of tests to be done
- Misconception related to AIDS.
