B. V. Patel Institute of Commerce organized a session on “Practical Aspects of Companies Act, 2013” on 20th December, 2018. The session was conducted for students of IMComSem 4, for conceptual clearance & practical implication for the same.

Topics discussed:

- Incorporation of companies
- Classification of companies
- Memorandum & article of association of companies.

The session was completely informative, explaining and making clear the concepts. Each and every topic was practically explained by the expert. At the end, the session was opened for all for discussion.
