Friendship Day Celebration

Date: 03/08/2018

Friendship Day celebrations take place on the first Sunday of August every year. The tradition of dedicating a day in honor of friends began in US in 1935. Gradually the festival gained popularity and today Friendship Day is celebrated in large number of countries including India. On this day people spend time with their friends and express love for them. Exchange of Friendship Day Gifts like flowers, cards and wrist bands is a popular tradition of this occasion.

Friendship Day Celebration was done by all the students of B. V. Patel Institute of Commerce on 3rd August, 2018. The Integrated M.com (Sem-9) students had done all the arrangements for this occasion with the support of faculty members. They made all the students play fun games like 'Ek Mai aur Ek Tu' and 'Pehchan Kaun' to test the level of understanding between participant friends.

Representatives from all the classes had also prepared a video containing their friendship memories and enjoyed the spectacle with zeal.
