Report on Cervical Cancer Awareness

Women's club of B.V.Patel Institute of Commerce and Management jointly organized cervical cancer awareness session on 29th January, 2020 for department girls. The session was taken by Dr. Rita and her team coming from Kiran Hospital (Surat). They shared the different problems arise to women during and after menstrual. They focus on reasons behind cervical cancer and infection in cervix. The main focus is on the usage of sanitary pads. Due to infection in cervical region is the main reason for arising cancer cases. They also discussed how to use sanitary pads and ensure its quality. Now a day, India stands first in the number of cervical cancer. It is necessary to make the Indian citizens aware regarding its symptoms and prevention. It was an interactive session for girls which will help them in future.
