<b>Event</b>	<b>A session on Voice Modulation</b>
<b>Date of Event</b>	26/03/2022
<b>Time of Event</b>	09:30 AM to 12:00 PM
<b>Place of Event</b>	Mandap Architecture Hall
<b>Session Speaker</b>	Dr Rozy Patel, Associate Professor ,Centre of Humanities Deaprtment
<b>Participants</b>	86
<b>Organized &amp; Report Prepared by:</b>	Mr. Vijay Dayama, Assistant Professor.

#### Event Objective:

1. To enhance the students public speaking skill.
2. To understand the importance of Voice modulation in day to day life.
3. To develop the potential of students to speak and express the opinion clearly.

#### Event Description: -

##### On 25th March 2022

The session was organized with an objective that voice modulation can be used as the most powerful weapon among all while delivering speeches.

Our eminent speaker Dr. Rozy Patel focused on how one can improve its public speaker, the body posture and poses during their presentations. The expert also explained the skill through which our ideas, emotions and personality can be communicated to the outside world.

The session was managed by our students Zahabiya Vohra and Aarti Patel with a complete coordination and guidance under Mr. Vijay Dayama.

#### Specific Observation:

- The Jay Patel (202103103110010), Shreeji Patel (202103103110012) provided their valuable feedback.
- Riyakumari Patel (202103103110013) delivered the vote of thanks.
