<b>Time of Event</b>	10:00 AM Onwards
<b>Place of Event</b>	Yoga Hall, Shrimad Rajchandra College of Physiotherapy
<b>Participants</b>	09 Students
<b>Organized by:</b>	NSS Unit, UTU

#### Event Description: -

NSS and Social Service Club of Uka Tarsadia University Organized Thalassemia camp for students and staff on the occasion of birthday of our beloved Prof. Dr. Dinesh R Shah, Hon. Provost and driving force behind the success of the university. Thalassemia is the name of a group of genetic inherited disorders of the blood. More specifically, it is a disorder of the hemoglobin molecule inside the red blood cells. It is an inherited genetic disease, i.e. a disease that is passed from parents to children through the genes. It is not infectious and cannot be passed on from one individual to another by personal or any other contact, through blood transfusion, food or air. Total 09 students of BCOM went for screening.
