B.V. Patel Institute of Commerce organised a webinar on pocket money management we connected to a very great personality named Mr. Bhavik Shah. He gave us brief introduction about How Efficiently we can use our pocket money by saving small

amounts and get a good return of interest. He told brief about mutual funds and also gave his personal examples he experienced. It was really a great useful session for students because it showed how we

can start saving our money from today itself. The session was interactive. The session ended up with sharing of experience by students.
