Name and Type of Event	Main Event: Go Green Initiative Organized by: Environmental Club
No. of Participants	22 (IMCom 10 and MCom 4)

Event Objectives

1. Spread awareness about importance of trees in our life.
2. To make students responsible for natural things.
2. To celebrate the late world environment day.

Conduct of Event

"Although individual decisions may seem small in the face of global threats and trends, when billions of people join forces in common purpose, we can make a tremendous difference."

We 'Bypians' know, humans are both creatures and molders of the environment. The B V Patel Institute of Commerce celebrated world environment day on June 25 by taking Go Green Initiative.

The program included tree plantation in our free campus. The campaign helps to raise awareness among students about the environmental issues as well as take positive environmental actions.
