

"Invited Talk @ GSBTM Sponsored Workshop"

Delivered Expert Talk in Intensive Crash Workshop for Cracking IIT-JAM, JNU-CEEB, Entrance Exam's of Phase II Sponsored by GSBTM

By Dr. Sharad R. Patil (January 19 & 21, 2019)

Dr. Sharad Patil, Assistant Professor of Department of Chemistry, Uka Tarsadia University, Bardoli has delivered a expert lecture as a **Resource person** in the "**Intensive Crash Workshop for Cracking IIT-JAM, JNU-CEEB, Entrance Exam's of Phase II**" held on 17th to 22nd January 2019, organized & hosted by C. G. Bhakta Institute of Biotechnology (CGBIBT), UTU, under the **Sponsorship of Network of Biotechnology Capacity Building Cell of Gujarat State of Biotechnology Mission (GSBTM), Gandhinagar, Gujarat.**

During his talk, **Dr. Sharad Patil** enlightened the students about the basic concepts, importance and applications of **Organic Reaction Mechanism**. He was also explained about the how to prepare and learn the tricks and tactics of Organic Chemistry to clear the competitive exams. In this workshop, more than 80 undergraduate and postgraduate students from different colleges and university of South Gujarat were participated. It was nice interactive session. We are grateful to the organizer and sponsor for inviting him as an eminent speaker in this workshop.
