Invited talk at GSBTM sponsored workshop

Dr. Sachinkumar Modha delivered an expert talk entitled “Spectroscopy: Theory and Applications” and “Chemistry and Biology of Water” as a resource person in the 12 days intensive crash course for cracking IIT-JAB, GAT-B and other national entrance exams from 12th-26th Dec, 2023, sponsored by Network of Biotechnology Capacity Building cell (NBT-CBC) of Gujarat State Biotechnology Mission (GSBTM), Gandhinagar, Gujarat. The course was organized by C. G. Bhakta institute of Biotechnology. Last year BSc students of different biology specialization were in the audience. Dr. Modha talked about Chemistry and Biology of Water on 24th of December and theory and applications of spectroscopy in chemistry and life on 26th of December and interacted with students regarding various opportunities withing and outside India after completion of graduation.

24rd December, 2023 Timing: 4:00 to 5:15 pm and

26th of December, 2023 Timing: 8:45 to 9:15 am

Venue: C. G. Bhakta Institute of Biotechnology, UTU
