

Expert Talk on "Growth and Career Prospects in Industry"

An insightful and engaging expert lecture on the topic **"Growth and Career Prospects in Industry"** was conducted on **April 17, 2025**, by **Mr. Pratik Chhapparwal**, Manager at **RPG Life Sciences**.

Mr. Chhapparwal, with his comprehensive industrial knowledge and experience, addressed the students on various opportunities available in the pharmaceutical sector. He discussed the current trends, skills in demand, and practical steps that pharmacy students can take to align their education with industry requirements. The session particularly emphasized career development, industry readiness, and the importance of continuous upskilling.

The expert lecture was organized at **Dr. Chunibhai Vallabhbhai Patel College of Pharmacy, Uka Tarsadia University**. The event saw the enthusiastic participation of **47 students (20 boys and 27 girls)** and **3 faculty members**.

Students actively interacted with the speaker during the Q&A segment, reflecting their curiosity and eagerness to explore various career paths. Mr. Chhapparwal encouraged students to pursue internships, build networks, and remain open to learning from diverse roles within the industry.

The session concluded with a warm vote of thanks, acknowledging Mr. Pratik Chhapparwal for his valuable time and motivating insights, and the faculty members for organizing the informative event.
