ABOUT DCVPCP

MORE THAN A DEGREE. A PURPOSE IN HEALTHCARE.

Pharmaceutical sciences connect scientific discovery with the medicines and healthcare solutions that improve lives. At DCVPCP, students can explore the science behind medicines, develop their scientific thinking and prepare for opportunities across the pharmaceutical field.

Established under Uka Tarsadia University, Dr. Chunibhai Vallabhbhai Patel College of Pharmacy was envisioned by prime donor Dr. Rashmikanth Patel in memory of his late father, with a commitment to serving society through pharmaceutical education.

OUR VISION

To be a prime destination for a robust teaching environment, a fountainhead of new ideas and innovations in pharmaceutical science, and a source of pride for all stakeholders.

OUR MISSION

- Promote academic growth and generate new knowledge through research and pharmacy education.
- Develop intellectually capable and imaginative professionals who can contribute to the healthcare field.

OUR PHILOSOPHY

Knowledge with purpose. Learning through exploration. Innovation for tomorrow.

WHY STUDY AT DCVPCP?

YOUR POTENTIAL DESERVES A PLACE TO GROW.

01 | LEARN BY DOING

Connect classroom concepts with practical learning, experimentation and scientific observation.

02 | THINK BEYOND THE ORDINARY

Develop curiosity, analytical thinking and an interest in solving pharmaceutical challenges.

03 | EXPLORE RESEARCH

Discover how formulation development, pharmaceutical analysis and drug research contribute to scientific progress.

04 | LEARN FROM EXPERTISE

Engage with faculty members whose academic interests span drug delivery, pharmaceutical analysis, medicinal chemistry, pharmacology and herbal formulations.

05 | GROW AS A PROFESSIONAL

Build communication, teamwork, presentation and problem-solving skills alongside pharmaceutical knowledge.

06 | DISCOVER YOUR DIRECTION

Explore future possibilities in the pharmaceutical industry, research, quality systems and higher education.

YOUR JOURNEY. YOUR CURIOSITY. YOUR FUTURE.

OUR ACADEMIC PROGRAMMES

TWO PATHWAYS. ONE WORLD OF PHARMACEUTICAL SCIENCES.

BACHELOR OF PHARMACY (B.PHARM)

BUILD YOUR FOUNDATION. DISCOVER YOUR POTENTIAL.

The B.Pharm programme introduces students to the science of medicines, pharmaceutical formulation, drug action, pharmaceutical analysis and the role of pharmacy in healthcare.

Programme highlights

- Foundation in pharmaceutical sciences.
- Practical and laboratory-based learning.
- Introduction to pharmaceutical research and analysis.
- Development of scientific reasoning and professional skills.

Typical duration: 4 years.

Typical eligibility: Class 12th or equivalent from a recognized board in the Science stream.

MASTER OF PHARMACY (M.PHARM) IN PHARMACEUTICS & PHARMACEUTICAL QUALITY ASSURANCE

DEEPEN YOUR KNOWLEDGE. DEVELOP YOUR EXPERTISE.

M.Pharm offers postgraduate learning for pharmacy graduates who want to strengthen their specialist knowledge, develop research skills and explore advanced pharmaceutical concepts.

Programme highlights

- Advanced subject-specific learning.
- Research methodology and scientific investigation.
- Development and evaluation of pharmaceutical products and methods.
- Opportunities to strengthen technical and research communication skills.

Typical duration: 2 years.

Typical eligibility: Bachelor of Pharmacy (B.Pharm) degree from an institution approved by the PCI

LIFE AT DCVPCP CAMPUS

MORE THAN A CAMPUS. A PLACE TO DISCOVER YOUR POTENTIAL.

From pharmaceutical learning to campus experiences, DCVPCP Campus offers an environment where students can pursue academic interests, build friendships and develop skills beyond the classroom.

LEARN IN AN ENVIRONMENT BUILT FOR EXPLORATION....

Computer Centre & Wi-Fi | Support for digital learning and academic work.

Medicinal Plant Garden & Museum | Explore medicinal plants, crude drugs and botanical specimens.

Seminar Hall & Auditorium | Spaces for academic presentations, seminars, workshops and cultural events.

Lecture Halls | Learning spaces designed to support classroom teaching.

Library | Access learning resources and academic reading facilities.

Sports & Fitness | Opportunities for physical activity and student engagement.

Hostel & Transportation | University amenities for students, subject to availability and applicable arrangements.

Grow beyond the classroom

Take part in academic events, scientific visits, cultural programmes and community engagement activities organised by the college or university.

LEARN TOGETHER. GROW TOGETHER. MAKE EVERY EXPERIENCE COUNT.

YOUR FUTURE IN PHARMACEUTICAL SCIENCES STARTS HERE.

CONNECT WITH DCVPCP

Whether you are beginning your journey through B.Pharm or looking to advance your knowledge through M.Pharm, take the next step by exploring our programmes and admission information.
