

### **Outposting for MPT (Ortho.) students**

MPT (Ortho) students at Nanavati Max Superspeciality Hospital, Mumbai.

2nd year MPT (Ortho) students were posted at Department of Physical Medicine & Rehabilitation, Nanavati Hospital for the duration of one month.

During this posting students were given an opportunity to learn and improve their diagnostic, rehabilitation and communication skills while dealing with various patients admitted in ICU, IPD and on-field sports injuries.

We are thankful to Dr.Sangeeta and Dr. Ali Irani for giving our students an opportunity to work with them and enhance their practical knowledge.
